

BAA BAA BLACK SHEEP NURSERY RHYME LYRICS & ACTIONS

Baa, baa, black sheep,

Have you any wool?

open your arms in a questioning manner

Yes sir, yes sir,

nod your head twice

Three bags full,

hold up three fingers

One for the master,

put down one finger

And one for the dame,

put down one finger

And one for the little boy,

put down one finger

Who lives down the lane.
